

The most creative party in South Yarra

Give the birthday child something they'll remember – a private art studio, a great artist to discover, and a masterpiece every guest takes home. We handle everything, so you can simply enjoy the day. All you bring is the cake.

What's included

- A private studio session, just for your group
- Pick your artist – Matisse, Frida Kahlo, or another master we love
- All materials supplied
- Each child creates and keeps their own masterpiece
- We set up, run the whole session, and pack down
- And the best part – all the mess stays with us
